

A message from AGA National – Membership:

We are happy to announce a new partnership: AGA has teamed up with Pearson VUE to deliver CGFM Examinations at its Professional Testing Centers. Pearson VUE (www.pearsonvue.com) is a global leader in computer-based testing and provides a full suite of services for regulatory and certification boards, as well as information technology, academic, government and corporate clients. With the world's most secure network of test centers, innovative technology and a commitment to excellent customer service, Pearson VUE provides a superior testing experience for candidates.

We anticipate that CGFM candidates can start registering with Pearson in late June and can begin taking CGFM Examinations at Pearson testing centers in mid to late July. We will provide you with additional information on the registration procedures with Pearson.

Our current arrangement with Edgia for administration of CGFM Examinations at Prometric testing centers is effective until July 31, 2009. Please read the following important information about testing appointment scheduling:

- ~ If you have already purchased a CGFM Examination with Edgia and scheduled your testing appointment at a Prometric testing center before July 31, please proceed as planned and take your examination at a Prometric testing center.
- ~ If you have already purchased a CGFM Examination with Edgia, we encourage you to schedule your testing appointment at a Prometric testing center by July 31 - please follow the existing scheduling procedures found on your eligibility letter.
- ~ If you have already purchased a CGFM Examination with Edgia and will not be able to take it before July 31, please contact Brian Watkins at the AGA's Office of Professional Certification at 800.242.7211 ext. 341 or agacgfm@agacgfm.org by the end of June.
- ~ If you have not yet purchased a CGFM Examination, you can purchase it with Edgia if you plan to take the exam by July 31 (please follow the existing procedures found on your eligibility letter) or you can purchase the exam through Pearson if you plan to take the exam in late July or later (more information on the registration/purchasing process with Pearson will be sent later on in June).

Our goal is to make this transition as smooth as possible for our CGFM candidates. Please feel free to contact me at 800.242.7211 ext. 305 or ksilver@agacgfm.org if you have any questions or concerns.

Best regards,

Katya Silver
